BAD COMPANY:

Hillary Shields & Maria Chappelle-Nadal

× How Radical is Hillary Shields?

Even while Democrat leaders reprimanded Chappelle-Nadal for calling for the President to be assassinated, Shields opposed any repercussions.¹

× Opposed Bi-Partisan Condemnation

Shields opposed the Senate formally condemning Chappelle-Nadal, despite bi-partisan support for it and a 28-2 vote in favor of censure.¹

× Why? They're One & The Same

Shields' largest donor is a group run by Chappelle-Nadal and her colleagues.² They are both propped up by the same liberal special interests like NARAL and Planned Parenthood.³

Don't let extremists **Shields & Chappelle-Nadal** team up in the Senate
